Re: Webb County Veterans Service Officer

Dear Commissioner Tijerina:

I, Antonio Silva, would like to thank Webb County Commissioners Court for giving me the opportunity to serve as your Webb County Veterans Service Officer. I am grateful for the years you have let me help out Laredo and surrounding area veterans and their loved ones.

After careful consideration and discussion with my wife, we have come to a mutual agreement that it is time for us to retire and dedicate more time to our family and to ourselves by pursuing our travel endeavors.

My projected and official date for retirement is March 1, 2013. I am giving ample notice to allow the Webb County Commissioners Court enough time in their search for a new candidate. This will also allow us the opportunity to have a smooth transition in the best of our veterans and their families.

Sincerely,

Antonio Silva
